WHEREAS, on February 14, 2018, 17 students and teachers were fatally gunned down and 15 others were injured in an active shooting at Marjory Stoneman Douglas High School in Parkland, Florida; and

WHEREAS, the safety of all students in Seattle is and always will be one of the top priorities for The City of Seattle (City); and

WHEREAS, our classrooms are a place to foster learning, growth and community; and school shootings and the presence of guns at our schools present a clear and imminent threat to the overall public health and public safety of our youth, regardless of age; and

WHEREAS, the City values our nation's constitutional right to the First Amendment, which protects our basic liberties of religion, free speech, the press, petition, and assembly; and

WHEREAS, the City also values and supports our diverse and civically-minded youth population and their ability to demonstrate with other students across the region and country through actions of solidarity, exercising their First Amendment rights and engaging in the power of advocacy and assembly; and

WHEREAS, as of February 20, 2018, NBC News¹ reports that there have been eight acts of gun violence on school grounds nationwide in 2018, resulting in the injury of 30 people and the death of 20 people, and;

¹ <https://www.nbcnews.com/news/us-news/tracking-all-school-shooting-incidents-2018-n844786>

1 WHEREAS, the March for Our Lives and Enough is Enough campaigns have spurred a
2 community led movement calling for State and Congressional Leaders to enact laws to
3 decisively restrict the purchase and proliferation of automatic assault rifles and semi-
4 automatic weapons, ban the purchase of bump stocks, and require stricter background
5 checks; and

6 WHEREAS, in the wake of the Parkland, Florida, school shooting, several local and national gun
7 retailers, including Wal-Mart, DICK'S Sporting Goods, and Lower Price Guns, have
8 taken it upon themselves to restrict the sale of automatic assault rifles and semi-automatic
9 weapons only to individuals who are 21 years old or older; and,

10 WHEREAS, on August 10, 2015, the City passed Ordinance 124833 imposing a tax on the retail
11 sale of firearms and ammunition to raise general revenue for the City and to use that
12 revenue to provide broad-based public benefits for residents of Seattle related to gun
13 violence by funding programs that promote public safety, prevent gun violence and
14 address in part the cost of gun violence in the City; and

15 WHEREAS, on June 27, 2016, the City passed Resolution 31676 related to responsible and
16 progressive protocols for police gun procurement, including destroying no longer needed
17 firearms rather than selling the firearms out of state; and

18 WHEREAS, on September 12, 2016, the City passed Resolution 31702 related to supporting the
19 creation of Extreme Risk Protection Orders, allowing family members and law
20 enforcement to petition the court to remove firearms from individuals presenting a
21 serious danger to themselves or others; and

22 WHEREAS, in the 2017 and 2018 City Budget the Council and Mayor dedicated funding to
23 create and implement a regional domestic violence firearm surrender program, comprised

1 of the City Attorney's Office, the King County Prosecuting Attorney's Office, the Seattle
2 Police Department, and the King County Sheriff's office, to enforce the requirement for
3 persons served with domestic violence or extreme risk protection orders to surrender their
4 firearms, and track and prosecute persons violating those orders; and

5 WHEREAS, according to Everytown for Gun Safety, 54 percent of mass shootings between
6 2009-2016 were related to domestic or family violence; and

7 WHEREAS, on February 27, 2018, Seattle School District's Board of Directors passed
8 Resolution 2017/18-17 declaring its support for sensible gun safety legislation,
9 opposition to efforts to arm educators in our schools, and support of the March for Our
10 Lives on March 24, 2018; and

11 WHEREAS, on March 6, 2018 Governor Jay Inslee signed into law SB 5992, making it illegal to
12 manufacture, sell, purchase, own, or be in possession of a bump stock in Washington
13 State beginning July 1, 2019, as well as directing Washington State Patrol to create a
14 buyback program for individuals to relinquish a bump stock in exchange for \$150; and

15 WHEREAS, the City asserts gun reform is long overdue, and that enough is enough; NOW,
16 THEREFORE,

17 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**
18 **MAYOR CONCURRING, THAT:**

19 Section 1. The City Council and the Mayor urge Seattle Public Schools to support its
20 students' right to assemble and participate in the National School Walkout, on March 14, 2018,
21 at 10 a.m. for 17 minutes to protest Congress' inaction to end gun violence in our nation's
22 schools and communities.

1 Section 2. The City Council and the Mayor support the efforts of educators and
2 administrators to show their solidarity for their students' right to remain safe from gun violence
3 in schools and their students' right to assemble and continuing to help students learn how to
4 organize peaceful walkouts and protests to create positive and lasting change.

5 Section 3. The City Council and the Mayor urge our State and Congressional
6 representatives to act now and enact stricter gun safety laws creating tighter background checks,
7 banning the purchase of bump stocks, reasonably restricting automatic assault rifles and semi-
8 automatic weapon purchases, to fully fund mental health, and to pass Crisis Prevention
9 legislation such as Senate Bill 5441, which would temporarily restrict the access to firearms to
10 individuals who have been subject to a 72-hour involuntary mental health commitment as they
11 may present a likelihood of serious harm to themselves or others.

12 Section 4. The City Council and Mayor urge our State Legislature in future sessions to
13 pass legislation, such as Senate Bill 6146 and its companion, House Bill 2666, which would
14 repeal the statute that preempts local jurisdictions from adopting laws relating to firearms and
15 provides that nothing in the chapter of law governing firearms modifies or limits the power of a
16 city, municipality, or county to adopt laws relating to firearms that are in addition to or more
17 restrictive than state law.

18 Section 5. The City Council and the Mayor urge other law enforcement agencies to
19 implement policies that restrict the sale of surplus firearms to the market consistent with
20 Resolution 31676, and remove arms from dangerous individuals consistent with chapter 9.41
21 RCW as amended by Chapter 111, Laws of 2014.

Section 6. The City Council and Mayor urge cities and counties across Washington State to create and implement a Firearm Surrender program similar to the successful one the City and King County created in 2017.

Section 7. The City Council and the Mayor oppose any proposal to arm teachers with firearms.

Adopted by the City Council the 12th day of March, 2018,
and signed by me in open session in authentication of its adoption this 12th day of
March, 2018.

President _____ of the City Council
