CITY OF SEATTLE

RESOLUTION 31931

A RESOLUTION establishing a Watch List of large, complex, discrete capital projects that will require enhanced quarterly monitoring reports for the 2020 calendar year.

WHEREAS, Seattle's Capital Improvement Program (CIP) identifies planned spending and revenues for City capital projects during the upcoming six-year period; and

WHEREAS, updates to the CIP are adopted by the Seattle City Council ("Council") as part of the annual and supplemental budget process; and

WHEREAS, CIP oversight is a critical function of the Council; and

WHEREAS, effective CIP oversight ensures transparent, accountable use of public dollars; and

WHEREAS, the Council's ability to perform effective capital oversight is dependent on access to thorough information and the opportunity to review and process this information in a timely manner; and

WHEREAS, City capital projects such as the Elliott Bay Seawall Project and the utilities' New Customer Information System cost millions of dollars over their original proposed budget and enhanced, timely reporting could have improved the Council's oversight by communicating potential project risks before the risks were realized; and

WHEREAS, oversight for the 2018-2023 Adopted CIP was improved via Council and City Budget Office review of capital project development and delivery, including seeking information from and holding conversations with some of the major capital departments on their project management practices and contingency budgeting, and conducting meetings to jointly discuss capital project issues across departments; and

1 WHEREAS, there is opportunity to improve CIP reporting and accountability to the Council and
2 to use the Council's budgeting authority to improve financial oversight; and

3 WHEREAS, the City benefits from effective Executive management controls and Council
4 oversight for projects that have a significant financial, policy, or programmatic impact on
5 the City and its residents; and

6 WHEREAS, the Levy to Move Seattle Oversight Committee members sent a letter to the Mayor
7 and the Council on August 23, 2018, recommending "regularly reporting on progress and
8 challenges as projects move through their development process, especially as the true
9 cost to deliver these projects comes into greater focus"; and

10 WHEREAS, in November 2016 the Council adopted and the Mayor signed Resolution 31720 to
11 "institute new rigor in capital project oversight that will increase appropriate and timely
12 oversight and provide more transparency to the public," through, among other things,
13 "[e]nhanced regular CIP reporting developed in conjunction with the City Budget Office,
14 including but not limited to quarterly reports to the Budget Committee on project scope,
15 schedule, or budget deviations"; and

16 WHEREAS, in order to provide uniformity across City departments, and to communicate
17 progress of projects during the budget process and in monitoring reports, City capital
18 departments agreed to use common terminology identifying project stages; and

19 WHEREAS, the City Council has imposed stage-based provisos for selected projects in the 2018
20 Adopted Budget, the 2019 Adopted Budget, and the 2020 Adopted Budget to allow
21 spending of authorized appropriations only for specified activities unless and until the
22 City Council passes future separate ordinances lifting such provisos; and

1 WHEREAS, the City adopted Resolution 31853, establishing enhanced reporting requirements
2 for the City's Capital Improvement Program projects and establishing the City's intent to
3 use a stage-gate appropriation process for selected projects; and

4 WHEREAS, the City adopted Resolution 31866, establishing a Watch List of large, complex,
5 discrete capital projects that will require enhanced quarterly monitoring reports for the
6 2019 calendar year; and

7 WHEREAS, on January 15, 2020, the Executive transmitted for Council's consideration a
8 Proposed Watch List of projects requiring enhanced quarterly reports;

9 NOW, THEREFORE,

10 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**
11 **MAYOR CONCURRING, THAT:**

Section 2. The Council requests that the Mayor submit an enhanced quarterly report for each project on the 2020 Watch List in the manner and on the timeline described in Resolution 31853. The Council further requests that the Mayor continue to provide information as soon as

1 practicable about these and other large, complex, discrete capital projects whenever significant
2 budget, schedule, or scope risks are developing that may require Council decisions. Similarly,
3 and consistent with Resolution 31853, the Council invites the Mayor to add any other projects to
4 the 2020 Watch List through the course of the year and then to provide enhanced quarterly
5 reporting for those other capital projects in order to enable the Council to make critical policy
6 choices – changing funding, adjusting scope, etc. – as early as possible and before identified
7 risks develop into actual implementation challenges.

8 Section 3. The Council intends to review the enhanced quarterly reports and to determine
9 whether and how to stage Council approval of funding for each project on the 2020 Watch List.

10 Section 4. The City Council anticipates that the Finance and Housing Committee (or
11 successor committee) will review the enhanced quarterly reports.

Adopted by the City Council the 24th day of February, 2020,
and signed by me in open session in authentication of its adoption this 24th day of
