BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The New Seattle License Code (Ordinance 108934) is amended by adding thereto new sections as assigned by the Codifier of the Seattle Code, designated as Sections 6.288.010 through 6.288.120 as follows:

Section 6.288.010 -- Definitions.

"Used goods dealer" means any pawnbroker or person engaged in the business of purchasing, selling, trading, auctioning, consignment selling, or otherwise transferring for value, used goods.

"Used goods" means any item of personal property that is not offered for sale as new, including metals in any form except coins that are legal tender, and except postage stamps.

"Pawnbroker" means any person engaged, in whole or in part, in the business of loaning money upon the security of deposits or pledges of personal property.

"Scrap metal processor" means any used goods dealer who buys and stores metal in any form, except gold, silver, or platinum.

"Reprocessed goods" means any item of personal property that is substantially reconditioned, rebuilt or remanufactured.

Section 6.288,020 -- Expiration Date.

Used Goods Dealer's Licenses expire annually on March 31.

Section 6.288.030 -- License Required - Exceptions.

It is unlawful to engage in business as a used goods dealer without first obtaining a Used Goods Dealer's License issued in accordance with this Code. If a used goods licensee is a pawnbroker, his/her license shall be endorsed "Pawnbroker".

The license is not required and City regulations do not apply:

(1) To give an allowance for the trade-in or exchange of used goods on the purchase of other merchandise of the same kind of greater value;

(2) To engage in the business of reprocessing goods or selling reprocessed goods, if the goods that are sold are purchased or acquired by the seller from a person licensed by this Code, or person subject to the provisions of RCW 19.02, or person subject to another County or municipal ordinance of similar intent;

(3) For any secured party, as defined by RCW 62A.9-105(i) as amended, to dispose of his or her own collateral after default, in accordance with RCW 62A.9-504 as amended;

(4) To sell unredeemed or unclaimed goods he/she has repaired in the regular course of his/her repair service, in order to collect his/her mechanic's lien;

(5) To buy or sell empty food and beverage containers or non-metal junk;

(6) To engage in business as a used automobile dealer, if holding a valid Seattle Used Vehicle Dealer's License;

(7) To engage in business as a tow truck operator if holding a valid Seattle Tow Truck Operator License;

(8) To engage in business as a motor vehicle wrecker, or hulk hauler, if validly licensed as a motor vehicle wrecker or hulk hauler pursuant to RCW 46.79 or RCW 46.80.

Section 6.288.040 -- Pawnbrokers - Territorial Limitation.

No Used Goods Dealer License shall be issued to conduct any pawnshop located outside the area bounded by Denny Way and East Denny Way, 12th Avenue and 12th Avenue South, South King Street and Elliott Bay unless such pawnshop was lawfully conducted outside such area by a licensed pawnbroker during the year 1961, and has been continuously operated at that location by the same licensee ever since.

Section 6.288.050 -- Unlawful Acts.

It is unlawful for any used goods dealer or his/her employee to:

(1) Refuse to allow the inspections as required in Section 6.288.110; or

(2) Falsify, obliterate, destroy or remove from his/her place of business any record that is required to be maintained by this ordinance, within three (3) years from the date of the transaction; or

(3) Receive any property from any person under the age of eighteen (18) years.

Section 6.288.060 -- Notification of New Pawnbroker Business.

Whenever a used goods licensee plans to engage in the business of pawnbroker, at a location not licensed for pawnbroker activity in the previous license year, he/she shall first notify the Director in writing thirty (30) days in advance of the first day of doing business as a pawnbroker.

Section 6.288.070 -- Duty to Record Transactions.

It is a violation for any used goods dealer to fail to maintain in his/her place of business a book or other permanent record in which shall be legibly written in the English language, at the time of each pawn, purchase or sale, a record thereof containing:

(1) Information identifying the transaction as follows:

(a) The date of the transaction; and

(b) The name of the person conducting the transaction on behalf of the licensee; and

(c) A description of the property pawned, traded, sold or consigned to or acquired from the licensee including brand name, serial and model numbers, pattern or type, engravings, size, color, markings, shape and any peculiarity likely to identify the property. In the case of watches, that shall include the name of the maker and the number of both the works and the case, if any. In the case of jewelry, that shall include a description of all letters and marks inscribed thereon. If the article bought or received is furniture, or the contents of any house or room actually inspected by the licensee on the premises of the seller, pawner or consignee, a general record of the transaction shall be sufficient; and

(d) The price paid or the amount loaned; and

(e) A pawn, sale or other number identifying the transaction and the merchandise it involves; and

(2) Information identifying the person pawning, trading, selling, or consigning property to or acquiring property from the licensee as follows:

(a) If a vehicle is used to deliver the used goods, the person's name, address, signature and number from a valid motor vehicle operator's license, and the make, year, and vehicle license plate number of the vehicle delivering the used goods; or

(b) If a vehicle is not used to deliver the used goods, the name, date of birth, residence address, general physical description, signature, and a description of the identification presented by the person, consisting of three (~~3~~) 2 or 4 corroborating pieces of identification or a valid motor vehicle operator's license number, and the name and residence address of the owner of the property pawned, traded, sold or consigned to the licensee, and the address of the place from which the property pawned, traded, sold or consigned to the licensee was last removed.

Section 6.288.080 -- Duty to Report Transactions.

Upon request, every used goods dealer shall furnish to the Chief of Police, before noon of each day, and upon such forms as the Chief of Police may provide, a full, true and correct transcript of the record of all transactions made on the preceeding day, kept pursuant to Section 6.__.070 of this ordinance.

Section 6.288.090 -- Police Seizures; Police Holds; Duties and Obligations.

In addition to retention of property required by this Code, any police officer, having probable cause to believe that any

used good in the possession of a licensee is stolen, may seize such item at any time. In the event of such a seizure, the used goods dealer shall be entitled to a written receipt for the item from the Seattle Police Department.

In lieu of immediate seizure, a police officer may place a "hold" upon the property by making an entry upon the permanent record required by Section 6.288.070, indicating that such item is stolen property. The used goods dealer shall then:

(1) Tag or otherwise reasonably identify the item;

(2) Hold it in a place on the business premises of the used goods dealer to which police officers shall have access at any time during the used goods dealer's regular business hours;

(3) Keep the item safe from alteration, loss, damage, or commingling with other goods.

No used goods dealer shall dispose of any item subject to a police hold in any manner; Provided, that items subject to a police hold shall be surrendered to the Chief of Police upon request, or in compliance with a subpoena signed by the prosecutor, or in compliance with an order of a court of competent jurisdiction; or as directed in a written release signed by the Chief of Police.

Section 6.288.100 -- Retention of Property.

No property bought or received in pledge by any used goods dealer shall be removed from his/her business premise within ten (10) days after its receipt, except when redeemed by the owner; Provided, that scrap metal processors shall retain the property for a minimum of five (5) working days, excluding Saturdays, Sundays, and City holidays.

Section 6.288.110 -- Inspection of Records and Goods.

(1) To protect the public from property losses that result when stolen goods circulate in the marketplace, it is necessary to make frequent, unannounced routine inspections of the licensed premises of used goods dealers, whose businesses have historically been subject to close regulation in order to control the flow of stolen property.

(2) The records required to be kept by Section 6.288.070 of this ordinance, and the used goods subject to recording as provided by Section 6.288.010 of this ordinance, shall be available, during normal business hours, to the inspection of the Chief of Police or his/her designated representative; Provided:

(a) That such inspections shall be limited to the purpose of detecting stolen property moving through the public marketplace and determining compliance with this ordinance; and

(b) That only such records required by this ordinance and goods covered by this ordinance shall be inspected in the course of such frequent, unannounced routine inspections

(3) Nothing in this section shall prohibit other lawful searches or inspection.

Section 6.288.120 -- Retention of Goods; Rates of Interest and Other Fees; Notice of Rates Must be Posted.

(1) No pawnbroker shall charge and receive interest and other fees in excess of the following rates for money loaned on the security of personal property actually received in pledge:

No pawnbroker shall ask or receive a higher rate of interest or discount or other fees on any loan, or on any actual or pretended sales, or redemption of personal property, or sell any property held for redemption within ninety (90) days after the period for redemption has expired.

(5) A copy of this section, set in twelve (12) point type or larger, shall be posted prominently in each pawnbroker's licensed premises.

Subject: Used Goods Dealers License Bill, C.B. 102148

Dear Paul:

I am today signing the Used Goods Dealers bill recently approved by a 5-4 vote of the Council, but I wanted to transmit to you my reservations about the legislation in its present form and my intention to promptly propose amendments to clear up some of the problems in this matter.

The ordinance tracks state law in imposing certain requirments on persons who buy and sell used goods, and is needed to allow the licensing of hundreds of dealers who are without proper licensing at this time.

Unfortunately, both the state law and this bill are overbroad, and impose burdensome requirements on large numbers of people who should not be subject to state or City regulation. For example, under the provisions of state law and this ordinance, a charity organization might have to keep detailed records of the purchasers of old clothes at a rummage sale. This just doesn't make sense. There are also significant drafting and enforcement problems that have been raised by scrap metal dealers and recyclers during the consideration of this legislation.

I have therefore asked the Chief of Police and the Director of Licensing and Consumer Affairs to work cooperatively with the affected businesses, and to promptly report back to me with a new bill containing appropriate amendments. That amending legislation will then be transmitted to the Council for consideration.

Sincerely,

Charles Royer

1. Please note that C.B. 102148 replaces C.B. 102136. We, therefore, recommend that C.B. 102136 not pass.

2. On Page 2 of C.B. 102148, we recommend a change in language for the first license exemption as follows:

"The license is not required:

(1) To give an allowance for the trade in or exchange of used goods on the purchase of ((~~new or reprocessed goods~~)) other merchandise of the same kind, if the item traded is not resold to the public, or is reprocessed, or is destroyed, or is turned into junk; . . ."

This proposed change clarifies that the exemption applies to all trade ins.

3. We propose changing the definition of "reprocessed goods" as follows:

"Reprocessed goods" means any item of personal property that is substantially reconditioned, ((~~repaired, refinished, refurbished,~~)) rebuilt or remanufactured.

The effect of this proposed change is to clarify the meaning of reprocessed to include only those who substantially alter used goods before selling; as used in the exemption, persons who reprocess goods and do not deal with the public are unlikely to be marketing stolen goods.

SUBJECT: REVIEW OF THE USED GOODS ORDINANCE

This Department is delaying the license renewal notification for 2,000 Second Hand Dealers pending the outcome of the Used Goods Licensing Hearing. In order to avoid licensing businesses twice, once as a Second Hand Dealer and again as a Used Goods Dealer, a resolution is needed by the license expiration date of March 31, 1981.

The impacts of not meeting the March 31, 1981 date are:

- 2,000 preprinted license renewals are thrown out at a cost of $200 printing, $200 for new forms and $150 computer time;
- Confusion to the industry because licensees are normally penalized for not renewing prior to license expiration. We need to notify licenseed by March 22nd;
- The problem of assessing $25 for 1981 Second Hand Dealer License on April 1, 1981 and shortly thereafter assessing $50 for a 1981 Used Goods License; and
- The administrative burden of either transferring or refunding 2,000 license fees.

Our alternatives are:

- Immediately send license renewals and issue refunds or fee transfers later; or
- Await the passage of the Used Goods Proposal prior to March 31, 1981.

I need to know, today, if you will be able to schedule a PS&J vote on this issue prior to March 31, 1981. Please call me on 2536 if you have any questions.

NOTICE TO SECOND HAND DEALERS

Your Second Hand Dealer's License expires on March 31, 1981, and, normally, by this time, you would have received a notice to renew the license.

The City Council has pending legislation before them which would repeal the present Second Hand Ordinance and create a new Used Goods License.

Final action is expected within three (3) weeks and you will be notified, at that time, as to the licensing requirements.

In the interim period, you will be allowed to deal in second hand goods with your current 1981 license.

If you have any questions, call Mr. David Setterholm, Operations Supervisor, at 625-5500, extension 51.

Dear Sam:

Re the March 18th public hearing on licensing and rules concerning scrap processors, I hope that the City changes its rather surprisingly negative treatment and attitude toward those of us who have been in this community for over a half century.

Thanks for the opportunity to testify.

Dear Mr. Smith;

I offered a few comments at a hearing you chaired on a proposed city ordinance regulating dealers in second hand goods. I believe that this bill is CB 102148.

I would like to expand on those comments, partly because it was only in the course of the hearing that I was able to read this bill, never having been given notice of it or of its contents.

It appears that this bill imposes criminal penalties for failure to keep various records involving sales and purchases from non-commercial sources of used goods.

I have no personal objection to keeping detailed records of purchases of such items, nor to holding them for ten days.

I do object to provisions of this bill requiring me to obtain the date of birth, driver's license number, physical description and signature of anyone buying used goods from my gallery.

The public does not regard antique stores as different in kind from other retail stores, in my opinion. Buyers of antiques in Seattle in many cases will object to a demand for much of the information required under the bill.

Rather than lose sales, I expect that most dealers are

going to resist complying with the details of this bill's contents, realistically speaking.

I was informed by Mr. Hume of the Police Department after the hearing that this bill is aimed at knowing dealers in stolen goods, and will not be enforced against honest dealers.

I would suggest that any dealer in used goods of any kind knowingly involved in stolen material is going to lie when asked where he sold such goods. He also will use as a defense, if caught in his lie, that he was given false identification by the buyer.

I urge that Sec. 6, paragraph 3 be modified to eliminate requirements to obtain date of birth, driver's license or other identification, signature and physical description of buyers of used goods.

If this bill is selectively enforced from the start, I suggest that questions will be raised as to its constitutionality sooner or later.

I suspect that the police have neither the staff nor the inclination to enforce all of the record keeping provisions of this bill with all dealers is used goods as defined in it.

Both The Bon Marche and Frederick and Nelson regularly offer items definable as "used goods" under this bill. Will it be applied to these firms in the way it will be applied to my gallery or to a pawnshop?

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The New Seattle License Code (Ordinance 108934) is amended by adding thereto new sections as assigned by the Codifier of the Seattle Code, designated as Sections 6.__.010 through 6.__.120 as follows:

Section 6.__.010 -- Definitions.

"Used goods dealer" means any pawnbroker or person engaged in the business of purchasing, selling, trading, auctioning, consignment selling, or otherwise transferring for value, used goods.

"Used goods" means any item of personal property that is not offered for sale as new, including metals in any form except coins that are legal tender, and except postage stamps.

"Pawnbroker" means any person engaged, in whole or in part, in the business of loaning money upon the security of deposits or pledges of personal property.

"Scrap metal processor" means any used goods dealer who buys and stores metal in any form, except gold, silver, or platinum.

"Reprocessed goods" means any item of personal property that is substantially reconditioned, rebuilt or remanufactured.

Section 6.__.020 -- Expiration Date.

Used Goods Dealer's Licenses expire annually on March 31.

Section 6.__.030 -- License Required - Exceptions.

It is unlawful to engage in business as a used goods dealer without first obtaining a Used Goods Dealer's License issued in accordance with this Code. If a used goods licensee is a pawnbroker, his/her license shall be endorsed "Pawnbroker".

The license is not required and City regulations do not apply

(1) To give an allowance for the trade-in or exchange of used goods on the purchase of other merchandise of the same kind of greater value;

(2) To engage in the business of reprocessing goods or selling reprocessed goods, if the goods that are sold are purchased or acquired by the seller from a person licensed by this Code, or person subject to the provisions of RCW 19.02, or person subject to another County or municipal ordinance of similar intent;

(3) For any secured party, as defined by RCW 62A.9-105(i) as amended, to dispose of his or her own collateral after default, in accordance with RCW 62A.9-504 as amended;

(4) To sell unredeemed or unclaimed goods he/she has repaired in the regular course of his/her repair service, in order to collect his/her mechanic's lien;

(5) To buy or sell empty food and beverage containers or non-metal junk;

(6) To engage in business as a used automobile dealer, if holding a valid Seattle Used Vehicle Dealer's License;

(7) To engage in business as a tow truck operator if holding a valid Seattle Tow Truck Operator License;

(8) To engage in business as a motor vehicle wrecker, or hulk hauler, if validly licensed as a motor vehicle wrecker or hulk hauler pursuant to RCW 46.79 or RCW 46.80.

Section 6.__.040 -- Pawnbrokers - Territorial Limitation.

No Used Goods Dealer License shall be issued to conduct any pawnshop located outside the area bounded by Denny Way and East Denny Way, 12th Avenue and 12th Avenue South, South King Street and Elliott Bay unless such pawnshop was lawfully conducted outside such area by a licensed pawnbroker during the year 1961, and has been continuously operated at that location by the same licensee ever since.

Section 6.__.050 -- Unlawful Acts.

It is unlawful for any used goods dealer or his/her employee to:

(1) Refuse to allow the inspections as required in Section 6.__.110; or

(2) Falsify, obliterate, destroy or remove from his/her place of business any record that is required to be maintained by this ordinance, within three (3) years from the date of the transaction; or

(3) Receive any property from any person under the age of eighteen (18) years.

Section 6.__.060 -- Notification of New Pawnbroker Business.

Whenever a used goods licensee plans to engage in the business of pawnbroker, at a location not licensed for pawnbroker activity in the previous license year, he/she shall first notify the Director in writing thirty (30) days in advance of the first day of doing business as a pawnbroker.

Section 6.__.070 -- Duty to Record Transactions.

It is a violation for any used goods dealer to fail to maintain in his/her place of business a book or other permanent record in which shall be legibly written in the English language, at the time of each pawn, purchase or sale, a record thereof containing:

(1) Information identifying the transaction as follows:

(a) The date of the transaction; and

(b) The name of the person conducting the transaction on behalf of the licensee; and

(c) A description of the property pawned, traded, sold or consigned to or acquired from the licensee including brand name, serial and model numbers, pattern or type, engravings, size, color, markings, shape and any peculiarity likely to identify the property. In the case of watches, that shall include the name of the maker and the number of both the works and the case, if any. In the case of jewelry, that shall include a description of all letters and marks inscribed thereon. If the article bought or received is furniture, or the contents of any house or room actually inspected by the licensee on the premises of the seller, pawner or consignee, a general record of the transaction shall be sufficient; and

(d) The price paid or the amount loaned; and

(e) A pawn, sale or other number identifying the transaction and the merchandise it involves; and

(2) Information identifying the person pawning, trading, selling, or consigning property to or acquiring property from the licensee as follows:

(a) If a vehicle is used to deliver the used goods, the person's name, address, signature and number from a valid motor vehicle operator's license, and the make, year, and vehicle license plate number of the vehicle delivering the used goods; or

(b) If a vehicle is not used to deliver the used goods, the name, date of birth, residence address, general physical description, signature, and a description of the identification presented by the person, consisting of three (3) corroborating pieces of identification or a valid motor vehicle operator's license number, and the name and residence address of the owner of the property pawned, traded, sold or consigned to the licensee, and the address of the place from which the property pawned, traded, sold or consigned to the licensee was last removed.

Section 6.__.080 -- Duty to Report Transactions.

Upon request, every used goods dealer shall furnish to the Chief of Police, before noon of each day, and upon such forms as the Chief of Police may provide, a full, true and correct transcript of the record of all transactions made on the preceeding day, kept pursuant to Section 6.__.070 of this ordinance.

Section 6.__.090 -- Police Seizures; Police Holds; Duties and Obligations.

In addition to retention of property required by this Code, any police officer, having probable cause to believe that any used good in the possession of a licensee is stolen, may seize such item at any time. In the event of such a seizure, the used goods dealer shall be entitled to a written receipt for the item from the Seattle Police Department.

In lieu of immediate seizure, a police officer may place a "hold" upon the property by making an entry upon the permanent record required by Section 6.__.070, indicating that such item is stolen property. The used goods dealer shall then:

(1) Tag or otherwise reasonably identify the item;

(2) Hold it in a place on the business premises of the used goods dealer to which police officers shall have access at any time during the used goods dealer's regular business hours;

(3) Keep the item safe from alteration, loss, damage, or commingling with other goods.

No used goods dealer shall dispose of any item subject to a police hold in any manner; Provided, that items subject to a police hold shall be surrendered to the Chief of Police upon request, or in compliance with a subpoena signed by the prosecutor, or in compliance with an order of a court of competent jurisdiction; or as directed in a written release signed by the Chief of Police.

Section 6. .100 -- Retention of Property.

No property bought or received in pledge by any used goods dealer shall be removed from his/her business premise within ten (10) days after its receipt, except when redeemed by the owner; Provided, that scrap metal processors shall retain the property for a minimum of five (5) working days, excluding Saturdays, Sundays, and City holidays.

Section 6. .110 -- Inspection of Records and Goods.

(1) To protect the public from property losses that result when stolen goods circulate in the marketplace, it is necessary to make frequent, unannounced routine inspections of the licensed premises of used goods dealers, whose businesses have historically been subject to close regulation in order to control the flow of stolen property.

(2) The records required to be kept by Section 6.__.070 of this ordinance, and the used goods subject to recording as provided by Section 6.__.010 of this ordinance, shall be available, during normal business hours, to the inspection of the Chief of Police or his/her designated representative; Provided:

(a) That such inspections shall be limited to the purpose of detecting stolen property moving through the public marketplace and determining compliance with this ordinance; and

(b) That only such records required by this ordinance and goods covered by this ordinance shall be inspected in the course of such frequent, unannounced routine inspections.

(3) Nothing in this section shall prohibit other lawful searches or inspection.

Section 6. .120 -- Retention of Goods; Rates of Interest and Other Fees; Notice of Rates Must be Posted.

(1) No pawnbroker shall charge and receive interest and other fees in excess of the following rates for money loaned on the security of personal property actually received in pledge:

(a) For an amount loaned up to $39.99 - interest at $1.00 per month;

(b) For an amount loaned from $40.00 to $59.99 - interest at the rate of $1.50 per month;

(f) For an amount loaned from $126.00 or more - interest at the rate of three (3) percent a month.

(2) The fee for the preparation of documents, pledges, or reports relating to loans or pledges and required or authorized under the laws of the United States of America, the State of Washington or the counties, cities, towns, or other political subdivisions thereof, shall not exceed:

(a) For the amount loaned up to $4.99 - the sum of $.50;

(b) For the amount loaned from $5.00 to $9.99 - the sum of $2.00;

(d) For the amount loaned from $20.00 to $39.99 - the sum of $4.00;

(e) For the amount loaned from $40.00 to $74.99 - the sum of $5.00;

(f) For the amount loaned from $75.00 to $99.99 - the sum of $7.50;

(g) For the amount loaned from $100.00 or more - the sum of $9.00.

(3) The fee for the care, maintenance, insurance relating to, preparation for storage of, and storage of personal property actually received in pledge, shall not exceed:

(4) Fees under subsections (2) and (3) may be charged one (1) time only during the term of a pledge, and all of the items included in a total sale shall be included as a single pledge unless otherwise requested by the customer. No pawnbroker shall ask or receive a higher rate of interest or discount or other fees on any loan, or on any actual or pretended sales, or redemption of personal property, or sell any property held for redemption within ninety (90) days after the period for redemption has expired.

(5) A copy of this section, set in twelve (12) point type or larger, shall be posted prominently in each pawnbroker's licensed premises.
